Non-Executive Director (Finance Director / Company Secretary)

Help Shape the Future of Care for Older People in Jersey

We are looking for an experienced finance professional to take up an unpaid and non-executive role on the board of one of the island's leading charities

For over 60 years, we have been dedicated to providing high-quality residential care for older people in Jersey. As a well-established local charity and not-for-profit organisation, we operate two care homes, employ more than 70 staff, and manage significant investments to support our long-term financial sustainability.

We are entering an exciting new phase in our development, having recently submitted a planning application to extend and refurbish Stuart Court. This major capital project will significantly enhance our facilities and strengthen our ability to provide modern, high-quality care for future generations. As part of this next stage, we are seeking a Board member with experience in raising capital for substantial projects and securing the financial resources needed to bring this important development to fruition.

Our mission is to provide exceptional care in a safe, compassionate, and supportive environment. We are governed by a committed Board of Directors whose members bring a broad range of professional and life experience. The Board brings together a wide range of professional expertise, and this role requires the ability to communicate financial matters clearly and work effectively in a collaborative, multi-disciplinary environment.

We are seeking an experienced and commercially minded finance professional to join our Board as a Non-Executive Director with responsibility for Finance and Company Secretariat.

This is an unpaid voluntary role offering a unique opportunity to use your professional expertise to support a respected Jersey charity that provides high-quality residential and nursing care for older people.
